“ I had the privilege of helping Carl for the past 11 yrs. I am going to miss him like crazy. Both Carl and Pat showed me a different side of family life. I had never seen a father involved with his children until I met Carl. Also, Carl never once looked down on me or treated me as if I were less than anyone else. He had my utmost respect. My sincere sympathy to his amazing kids. Truly a wonderful family

“ It deeply saddens us, Donald and Vicky Brunkhardt, to hear of Carl's passing, but also what a joy now for Carl to be with our Heavenly Father. Carl Utz was always an interesting customer for DV Enterprises. He had his way of doing things. Don and I always enjoyed visiting with Carl over the years. One of the things Don always tells about is convincing Carl about his grass; not cutting it so short as the weeds started to grow and chemical wouldn't control everything! -- Carl hated those weeds, but he wanted that grass to be short (and to be truthful, he didn't want the chemical or fertilizer either)!

Our prayers are for the families of Carl Utz. We thank the Lord he is safe in His arms now and pray this time of mourning will pass with fond and loving memories for your father. God bless each of you.

“ Dear Brandon, Cary, Tracy, and Nancy,

I so hoped to attend your dad's services. Unfortunately, my health was not inclined to cooperate. The last time I visited your dad, it was with my grandson, Sterling. We all had such an enjoyable time together. We planned to visit again when Sterling returned from Tulsa for a few days in mid April. Sadly, life passes too quickly. I feel so blessed to have had both of your parents as lifelong friends!

With Love,
