“ Heaven is joyful today!! I loved this lady always called her Grandma Miller. I enjoyed visiting with her. Some times Clint and Cymba would play there and I would pick her up. Always had to go early so I had a little time to visit with her. She was one funny lady. Always had you laughing. I will miss her but I know she will light up the heavens

“ Lorene was probably the orneriest lady I have ever known. She always had everyone laughing. She was so sweet and always thought of others before herself. I love the picture here...looks like she is saying "Did you say something?" She will be sorely missed. My condolences to all of you.
